Recromax Names Scott Sarel New Director of Renovation Services

Longwood, Fla. – (April 29, 2019): Recromax, Florida’s premier restoration and renovation services company, announces Scott Sarel joining the company to oversee Recromax’s Renovation Service Division.

Scott Sarel comes to Recromax with great experience, most recently as the Sr. National Director of Installations for Sears Home Improvement Products where he lead all operations for one of the largest Residential Remodeling Company with gross revenues in excess of \$500M annually. He also served in past positions as VP Operations for Ultimate Installations and Omni Cabinetry. He also served as Petty Officer 3rd Class in the US Navy Naval Mobile Construction Battalion-SEABEES.

Sarel will be overseeing all aspects of the Property Services Division. Sarel will lead the renovation division, providing the team with high caliber operational excellence. “I am thrilled to be a part of the Recromax team and to bring about the next phase of growth and expansion,” states Sarel.

Ryan Kirce, Recromax’s Chief Operating Officer, states “We are pleased to welcome Scott to our team at Recromax. Not only will he bring years of organizational management experience to our renovation team, but he also encompasses the epitome of a leader.”

About Recromax

Founded in 2012, Recromax brings a tradition of over 100 years of combined experience to the restoration and renovation industry. Serving over 50 counties across the United States, Recromax is part of the subsidiary that provides solutions to numerous clients each year.
